**ASSIGNMENT**

For good and valuable consideration, receipt of which is hereby acknowledged, I, **Michael Gauselmann**, of Frotheimer Weg 54, 32339 Espelkamp, Germany, hereby sell, assign and transfer to **Atronic International GmbH**, a German corporation, having a place of business at Borsigstraße 26, 323312 Lübbecke, Germany, its successors and assigns, the entire right, title and interest throughout the world in my invention in

**FREE GAME BONUS ROUND FOR LINKED GAMING MACHINES**

for which I have executed a United States patent application on or about the date of this assignment, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and I request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 18th day of June, 2003.
