Assignment

WHEREAS, I, **Charles I. Sassoon**, Assignor, a citizen of Israel, residing at 203C West Shore Road, Kings Point, New York, 11024, am the inventor of the invention for which I have executed an application for a Patent of the United States entitled

MARKER LIGHT OR THE LIKE

- which was executed on even date herewith or Nov. 24, 2003
- which is identified by Morrison Cohen Singer & Weinstein, LLP docket no. 08295-009
- which was filed on Nov. 24, 2003, Application No. 29/194,397;

and WHEREAS, **Panor Corporation**, having a place of business at 125 Cabot Court, Hauppauge, NY, 11788, Assignee, is desirous of obtaining my entire right, title, and interest in, to, and under the said invention and the said application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over, unto the said Assignee, its successors, legal representatives and assigns, my entire right, title, and interest in, to, and under the said invention, and the said United States application and all divisions, renewals, and continuations thereof, and all Patents of the United States that may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs that may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates, and designs that may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, and reissues thereof.

AND I HEREBY authorize and request the Director of the U.S. Patent and Trademark Office, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said Assignee, its successors, legal representatives, and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said Assignee, its successors, legal representatives, and assigns, any facts known to me respecting

said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, and foreign applications, make all rightful oaths, and generally do everything possible to aid the said Assignee, its successors, legal representatives, and assigns, to obtain and enforce proper protection for said invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 11 day of December, 2003.
