## ASSIGNMENT

In consideration of the sum of one dollar (\$4,744.00) and other good and valuable consideration paid to the undersigned 513004 B.C. LTD., with an address of Surrey, British Columbia, Canada, the receipt of which is hereby acknowledged, the undersigned hereby sells, assigns and transfers to COAST SPAS MANUFACTURING INC. with an address of Surrey, British Columbia, Canada V2Y 1N7 (hereinafter designated as the Assignee), the entire right, title and interest in and to an invention known as SPA MOTOR COOLING METHOD AND APPARATUS for which a patent in the United States of America issued August 6, 2002 for application serial number 397,485 filed September 16, 1999 and in and to any and all improvements which are disclosed in the application and all divisions, substitutes and continuations thereof, and all other United States Letters Patents which may be issued thereon, and all foreign rights including Canada and further including all priority rights and benefits under all international conventions for the protection of industrial property, and all applications for patents including related rights such as utility model, inventor=s certificates and the like heretofore or hereafter filed in the United States or any foreign country, and all patents including extensions, renewals and reissues thereof granted in the United States or any foreign country.

The undersigned agrees to execute all papers necessary in connection with this application and any continuing, divisional or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agrees to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation, division or reissue thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned agrees to execute all papers and

documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agrees to perform all affirmative acts which may be necessary to maintain the grant of the valid United States patent to the Assignee.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing or reissue applications thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that he has full right to convey the entire interest herein assigned, and that he has not executed, and will not execute any agreement in conflict herewith.

The undersigned hereby grants John Russell Uren, Registration No. 27,530, who carries on business at Suite 202, 1590 Bellevue Avenue, West Vancouver, British Columbia, Canada, V7V 1A7, the power to insert of this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document.

IN WITNESS WHEREOF, executed by appropriate corporate officer on the date opposite the undersigned name and in the presence of the person indicated.
