ASSIGNMENT

I am an inventor of a new invention entitled

"MEMORY FAILURE RECOVERY ANALYSIS METHOD AND MEMORY TESTING APPARATUS"

by Masahiro Akutsu, such invention being described in and identified by

- the patent application filed herewith and executed on _____.
- United States application Serial Number _____ filed on _____.
- international application number PCT/JP01/09671 filed under the Patent Cooperation treaty on November 6, 2001.

ADVANTEST CORPORATION, whose address is 32-1, Asahicho 1-chome, Nerima-ku, Tokyo 179-0071 Japan, hereinafter referred to as ASSIGNEE, is desirous of acquiring my entire right, title and interest in and to said application and said invention, in and to any and all improvements relating to said invention, and in and to each and every Patent thereon, when granted in the United States.

For good and valuable consideration, the receipt of which is acknowledged:

1. I sell, assign, transfer and convey unto ASSIGNEE, my entire right, title and interest:
 - (a) in and to said invention and application, any and all improvements relating to said invention and application, and each and every additional application filed in the United States of America, which additional application is a division, substitution, continuation or continuation-in-part of, is based on or claims priority of said application, or which additional application relates to said invention and improvements;
 - (b) all priority rights associated with the filing of each and every such application, and
 - (c) in and to each and every Patent on said invention and improvements that may be granted, including each and every Patent that may be granted on any of the applications referred to in sub-section (a), and in and to each and every reissue, re-examination or extension of each and every such Patent.
2. I warrant, covenant and represent the fact that I have not heretofore granted any license, right or privilege in the United States of America with respect to said invention or said application to any other, or in any other way encumbered the same, and that I
