ASSIGNMENT

WHEREAS, the undersigned, Jui H. Wang, a resident of Williamsville, New York, (hereinafter termed "Wang"), is the owner of the U.S. Patents listed below:

Patent No.	Title	Issue Date
5,496,546	Compositions and Methods of Application of Reactive Antiviral Polyadenylic Acid Derivatives	3/15/1996
5,858,988	Poly-Substituted-Phenyl-Oligoribonucleotides having Enhanced Stability and Membrane Permeability and Methods of Use	1/12/1999
6,291,438	Antiviral Anticancer Poly-Substituted Phenyl-Derivatized Oligoribonucleotides and Methods for Their Use	9/18/2001

WHEREAS DNP Pharmaceuticals, inc. (hereinafter termed "Assignee"), a corporation of the State of New York, having a place of business at 901 50th Street, West Des Moines, State of Iowa, wishes to acquire the entire right, title and interest in and to said patents and the invention disclosed therein, and in and to all embodiments of the inventions, and in and to any and all patents, certificates of invention and other forms of protection thereon (hereinafter termed "patents") applied for or granted in the United States and/or other countries.

NOW THEREFORE, for good and valuable consideration acknowledged by Wang to have been received in full from said Assignee:

1. Wang does hereby sell, assign, transfer and convey unto said Assignee, the entire right, title and interest (a) in and to said application and said invention; (b) in and to all rights to apply in any and all countries of the world for patents, certificates of inventions or other governmental grants on said invention, including the right to apply for patents pursuant to the International Convention for the Protection of Industrial Property or pursuant to any other convention, treaty, agreement or understanding; (c) in and to any and all applications filed and any and all patents, certificates of inventions or other governmental grants granted on said invention in the United States or any other country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; (d) in and to each and every reissue or extension of any of said patents; and (e) in and to each and every patent claim resulting from a reexamination certificate for any and all of said patents.

2. Wang hereby covenants and agrees to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right, title and interest herein conveyed in the United States and other countries. Such cooperation by said Inventor shall include prompt production of pertinent facts and documents, giving of testimony, executing of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed, (b) for complying with any duty of disclosure; (c) for prosecuting any of said applications; (d) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (e) for filing and prosecuting applications for reissue of

any of said patents; (f) for Interference or other priority proceedings involving said invention; and (g) for legal proceedings involving said invention and any applications therefore and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, reexamination proceedings, compulsory licensing proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Inventor in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this Assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon Wang and Wang's heirs, legal representatives and assigns.

4. Wang hereby warrants and represents that he has not entered and will not enter into any assignment, contract, or understanding in conflict herewith.
