ASSIGNMENT

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Baogang WANG, the undersigned, whose full post office address is c/o 23 Bertrand Avenue, Toronto, Ontario M1L 2P3, Canada,

Does hereby sell, assign and transfer to S.A. Armstrong Limited, a corporation of the Province of Ontario, having a place of business at 23 Bertrand Avenue, Toronto, Ontario M1L 2P3, Canada,

its successors, assigns and legal representatives, the entire right, title and interest for the United States, Canada and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned concurrently herewith (enclosed), and entitled "Circuit Balancing Valve" and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States, Canada and all foreign countries, on any of said improvements; and in and to all original and reissued patents which have been or shall be issued in the United States, Canada and all foreign countries, on said improvements;

Agrees that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenants with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and

property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

Executed at Toronto, Ontario, Canada, this ~~24~~²⁶ day of June, 2003.
