ASSIGNMENT

WHEREAS, Stephen Everitt, a resident of London, United Kingdom and a citizen of Britain; David Minty, a resident of London, United Kingdom, and a citizen of Britain; Clive Kilford, a resident of London, United Kingdom, and a citizen of Britain; and Nicholas Carpenter, a resident of London, United Kingdom, and a citizen of Britain hereinafter (collectively) referred to as the Assignors, have invented certain new and useful improvements in Seat Assembly for a Motorcycle for which an application for Letters Patent of the United States has been prepared,

- the Declaration for said application executed on even date herewith;
- said application having been filed in the United States Patent and Trademark Office on December 6, 2002, and accorded Serial Number 29,172,100, and was amended on _____ (if applicable);
- said application having been filed under the Patent Cooperation Treaty on _____ and accorded Application No. _____, the United States of America being designated;

WHEREAS, Brumby Corporation Limited
Stanley House, Douglas
IM12BF, Isle of Man
United Kingdom, British Isles

is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and in and to any Letters Patent of the United States or any foreign country which may be granted therefor;

NOW THEREFORE, for good and valuable consideration the Assignors by these presents do sell, assign, and transfer unto the Assignee, its successors, legal representatives and assigns, the full and exclusive right to the invention as described in said application, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, reissues, continuations and extensions thereof;

AND said Assignors authorize and request the Commissioner of Patents and Trademarks or any other proper officer or agency of any country to issue all said Letters Patent to said Assignee;

AND said Assignors warrant and covenant that We have full right to convey the entire interest herein assigned and that We have not executed and will not execute any instrument or assignment in conflict herewith;

AND said Assignors agree to communicate to said Assignee or its representatives any facts known to me/us respecting said invention, to execute all divisional, continuation, reissue and foreign applications, sign all lawful documents and make all rightful oaths relating to said invention, and to testify in any judicial or administrative proceeding and generally do everything possible to aid the said Assignee to obtain and enforce said Letters Patent in the United States or any foreign country when requested so to do by said Assignee.

IN WITNESS WHEREOF, We have hereunto set our hand and seal.
