ASSIGNMENT

WHEREAS, We, JAMES G. PRATHER, a resident of the State of California, PATRICK MAANDAG, a resident of the State of California, and HAROLD DUFFY, a resident of the State of California, have invented and are the joint inventors of certain new and useful improvements in an invention concerning shopping cart theft deterring apparatus, and have filed a patent application in the United States Patent and Trademark Office relating to said invention, the title of the invention described by said patent application being THEFT DEFEATING IMPROVEMENTS FOR SHOPPING CARTS, and the patent application having been accorded a filing date of September 16, 2002 and Serial Number 10/245,870 (we inventors hereinafter being referred to as "ASSIGNORS).

WHEREAS, MIND WURX LLC, a corporation of the State of California, and having its place of business at 18032-C Lemon Drive, Yorba Linda, CA 92886 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and to all Letters Patent therefor granted in the United States of America.

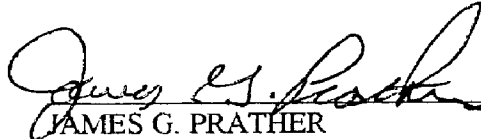

NOW, THEREFORE, in consideration of the sum of five dollars (\$5.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, we, the ASSIGNORS, by these presents do sell, assign, and transfer unto said ASSIGNEE, its successors and assigns, the full and exclusive right, title and interest for the territory of the United States of America and all countries foreign thereto including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise, in and to the aforesaid invention including said patent application as described above, as well as all Letters Patents granted therefor, and all improvements, divisions, reissues and continuations thereof, and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all Letters Patent on said invention(s) or resulting therefrom to said ASSIGNEE as assignee of the full and exclusive right, title and interest, and we covenant that we have the full right to do so and agree that we will communicate to said Assignee, or its successors, any and all facts known to us regarding said invention whenever requested, sign all lawful papers, and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper patent protection for said invention in all territories and countries.
