## **PATENT ASSIGNMENT**

For good and valuable consideration, the receipt of which is hereby acknowledged, JOSEPH B. WILLEY, an individual residing in Hanover, New Hampshire, ("Assignor") does hereby sell, grant, convey, assign and transfer unto PRO-CUT LICENSING COMPANY, LLC, a Delaware corporation with a principal place of business at 10 Technology Drive, West Lebanon, New Hampshire ("Assignee"), and its affiliates, successors, assigns and transferees, the following:

1. All of Assignor's title, interest and right, including the right of priority (including all rights under the Paris Convention for the Protection of Industrial Property), in, to and under United States Patent Number 6,474,203, issued on November 5, 2002, and the inventions and any of them therein set forth, described or claimed therein, and any and all patents which may be granted thereon or therefor or corresponding thereto in any country, including any and all continuations, continuations-in-part, substitutions, divisions, reissues, renewals, reexaminations, extensions, utility models, inventor's certificates or industrial designs thereof, now existing or hereafter filed, issued or acquired; and (ii) all rights to enforce the foregoing rights including the right to sue and recover all income, royalties, damages and payments now or hereafter due or payable with respect to any of the foregoing rights including, without limitation, damages for past, present or future infringement thereof (the "Assigned Rights"). The Assigned Rights are free and clear of all and any pledge, lien, collateral assignment, security interest, mortgage, title retention, conditional sale or other security arrangement, or any charge, adverse claim of title, ownership or right to use, or any other encumbrance of any kind whatsoever.

2. And for the above consideration, Assignor agrees to and will promptly, upon request of Assignee, and its heirs, successors or assigns: (i) communicate any facts known to Assignor respecting said patents, applications and the inventions and improvements set forth therein; (ii) execute and deliver, without further compensation, any power of attorney, assignment, application, whether original, continuation, divisional, reissue, reexamination or extension, or other papers which may be necessary or desirable fully to secure to Assignee, and its heirs, successors and assigns, the inventions and improvements and any of them described in said patent and applications and all patent rights therein, in the United States and in any country foreign thereto; and (iii) cooperate and assist in the prosecution of interference proceedings involving said inventions and improvements in the adjudication and reexamination of Letters Patent, provided the expenses which may be incurred by Assignor in lending such cooperation and assistance be paid by Assignee.

3. Assignor hereby authorized and requests the Commissioner of patents of the United States and any official of any foreign country whose duty is to issue any such documents as may be necessary to record this assignment in any official registry.

4. This assignment is intended to be effective as of the date of the issuance of the above-referenced patent.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the 3<sup>rd</sup>  
day of February, 2003.
