**ASSIGNMENT**

This Assignment is made on the dates indicated below, by **Philip C. Hadley**, residing at **29 Columbine Road, Ely, Cambridgeshire CB6 3WL, United Kingdom**, Assignor, to **Hexcel Composites, Ltd.** (a company organized under the laws of the U.K.), Assignee, having a place of business at **Duxford, Cambridge CB2 4QD, United Kingdom**.

**WHEREAS**, Assignors have co-invented a new and useful invention entitled **CONTROL OF RESIN FLOW DURING MOLDING OF COMPOSITE ARTICLES** for which for which we filed an application for United States Letters Patent on **December 10, 2003**, which application has been executed by each of us concurrently herewith, identified as Attorney Docket No. **0179.0043**, and allotted Serial No. **10/733,609**;

**WHEREAS**, Assignors believe themselves to be the original inventors of the invention disclosed and claimed in said application for Letters Patent; and

**WHEREAS**, the parties desire to have a recordable instrument assigning the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world;

**NOW, THEREFORE**, in accordance with the obligations to assign the invention and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors sell, assign, and transfer to Assignee, the entire right, title and interest in and to said invention, said application and any Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claims for any such foreign applications of any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said invention, said application, and any Letters Patent granted for said invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on said application or on any subsequently filed divisional, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as to the Assignee of the entire interest in said invention.

Executed on this 7<sup>th</sup> day of JANUARY, ~~2005~~ 2004 7 JANUARY 2004  
Assignor:
