ASSIGNMENT AND AGREEMENT

For value received, we, **John A. DISPENZA**, of **Long Valley** in the County of **Morris** and State of **New Jersey**; **Dipak THAKAR**, of **Parlin** in the County of **Middlesex** and State of **New Jersey**; hereby sell, assign and transfer to the **Lucent Technologies Inc.**, a corporation of the State of **Delaware**, having an office at **600 Mountain Avenue, P. O. Box 636, Murray Hill, New Jersey, 07974-0636**, U.S.A., and its successors, assigns and legal representatives, hereinafter collectively **Lucent Technologies Inc.**, the entire right, title and interest, for the United States of America, in and to certain inventions related to

A Device And Method Of Forming A Unitary Electrically Shielded Panel ,

described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **Lucent Technologies Inc.** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

This application is a continuation of U.S. Patent Application Serial No. **08/988,517** filed **December 10, 1997**.

We authorize **Lucent Technologies Inc.** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Lucent Technologies Inc.** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to **Lucent Technologies Inc.** in the United States and to **Lucent Technologies Inc.** in all countries foreign to the United States, or to such nominees as they may designate.

We agree that, when requested, we shall, without charge to **Lucent Technologies Inc.** but at its expense, sign all papers, take all rightful oaths, and do all acts which may be
