## ASSIGNMENT

---

WHEREAS, we, **Ralph Barry Johnson**, a citizen of the United States of America, residing at 1527 Chandler Road, SE, Huntsville, AL 35801; and **Gary A. Jacobsen**, a citizen of the United States of America, residing at 19W030 Marino Court, Itasca, IL 60143; have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "**Lenticular Lens Array and Tool for Making a Lenticular Lens Array**," filed in the United States Patent and Trademark Office herewith on June 10, 2002; and

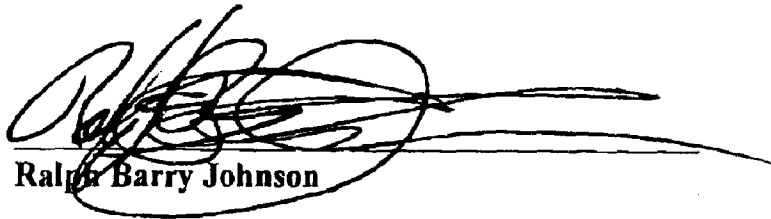

WHEREAS, **Web Communications Group, Inc.**, a corporation of the State of Illinois having a principal place of business at 105 East Irving Park Road, Itasca, IL 60143-0247, is desirous of acquiring an interest in the same.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Ralph Barry Johnson** and **Gary A. Jacobsen**, by these presents do sell, assign, and transfer unto **Web Communications Group, Inc.**, the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Director of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **Web Communications Group, Inc.**, as the assignee, for its interest and for the sole use and benefit of **Web Communications Group, Inc.**, and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **Web Communications Group, Inc.**, the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights

granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Web Communications Group, Inc.**, or its designee insofar as permitted by applicable law;

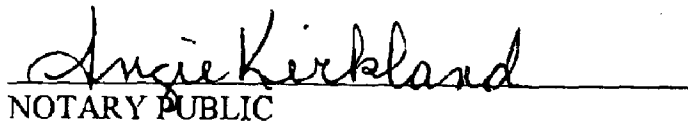

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Web Communications Group, Inc.**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
