ASSIGNMENT

WHEREAS, we, **Daniel E. Weerts**, of Corvallis, County of Benton, State of Oregon, and **Gregory T. Humphrey**, of Eugene, County of Lane, State of Oregon, have made inventions described in a United States patent application entitled **BATTERY SEPARATOR WITH MUD REST PROTECTORS**, said application having been executed by us on the 3rd and 5th days of March 2003, and in United States provisional patent application No. 60/368,553, filed March 29, 2002, and entitled **BATTERY SEPARATOR WITH MUD REST PROTECTORS**; and

WHEREAS, **Entek International LLC**, a Delaware Limited Liability Company, having a place of business at 250 North Hansard Avenue, Lebanon, Oregon 97355, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, **Daniel E. Weerts** and **Gregory T. Humphrey**, hereby sell, assign, and transfer to **Entek International LLC** the full and exclusive right, title, and interest in and to said inventions, said patent application, and any and all patent rights and letters patent for said inventions in the United States and elsewhere throughout the world, including foreign patent priority rights and the right to apply for patents in foreign countries in our names or in the name of **Entek International LLC**, and further including all divisions and continuations of said application and of any foreign patent applications and all reissues and extensions of patent rights and letters patent for said inventions, all to be held and enjoyed by **Entek International LLC**, for its own use and benefit, and by its successors and assigns for their own use and benefit, for the full duration of the terms for which patent rights and letters patent may be granted in this or any foreign country, and covenant that we have full right so to do, and agree that we will communicate to **Entek International LLC**, and its successors and assigns, any facts known to us respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all lawful divisional, continuation, and reissue applications, make all rightful declarations or oaths, and do everything lawfully possible to aid **Entek International LLC**, and its successors and assigns, to obtain and enforce proper patent protection for said inventions in this or any foreign country.
