**INTELLECTUAL PROPERTY SECURITY
AGREEMENT AND COLLATERAL ASSIGNMENT**

GMAC Commercial Finance LLC, 3000 Town Center, Suite 280, Southfield, Michigan 48075, ("Agent") and **Prince Sports, Inc.**, with executive offices at 1 Advantage Court, Bordentown, NJ 08505 ("Borrower") enter into this Agreement on July 15, 2003.

Agent and Borrower are parties to a Loan and Security Agreement of even date (the "Loan Agreement"). Agent is acting as agent for the lenders who from time to time are parties to the Loan Agreement (the "Lenders"). The Lenders are willing to make such loans and credit extensions under the Loan Agreement upon the condition, among others, that Borrower execute and deliver this Agreement.

In consideration of the above and of the mutual covenants in this Agreement and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

1. **Incorporation of Loan Agreement.** The Loan Agreements (and all agreements referred to or incorporated in the Loan Agreements) are incorporated by this reference. Capitalized terms not otherwise defined in this Agreement have the meanings given in the Loan Agreement. Nothing in this Agreement requires Borrower to take any action (other than that which is otherwise required by Section 6.16 of the Loan Agreement), to perfect this collateral assignment, nor may Agent take any action under Section 6(i) herein that would be inconsistent or contrary to the tenor of Section 6.16 of the Loan Agreement; provided that the foregoing does not effect Borrower's obligation to notify Agent of its creation or acquisition of new or additional Collateral (defined below).

2. **Collateral Assignment of Trademarks, Copyrights and Patents.** To secure the prompt payment and performance of all of Borrower's present and future indebtedness and obligations to Lenders (collectively, the "Debt"), Borrower, to the extent of its interests therein, hereby grants to Agent, for the benefit of Lenders, a continuing lien, security interest and charge in and on, and, subject to Section 4 below, shall assign, transfer, and convey to the Lender all right, title and interest, throughout the world, in, to, and under the following (all of which are collectively referred to the "Collateral") whether now existing or hereafter created or acquired:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature, trademark registrations and applications for registration, now owned or hereafter acquired by any of the Borrower (including, without limitation, those listed on Schedule 1 attached hereto and made a part hereof) and all licenses thereof, together with the goodwill of the business connected with the use of, and symbolized by, the foregoing, and (i) the registration renewals thereof, (ii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, and (iii) all rights corresponding thereto throughout the world, (all of the foregoing sometimes hereinafter individually or collectively referred to as the "Trademarks");

(b) all copyrights, registered or unregistered, in and to all copyrightable works including all registrations and applications therefor and all licenses thereof and (i) any renewals or extensions of the registrations therefor that may be secured under the laws now or hereafter in effect in any country or countries, (ii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, and (iii) all rights corresponding thereto throughout the world (sometimes individually or collectively referred to as the "Copyrights");

(c) all patents and patent applications, now owned or hereafter acquired by Borrower, including, without limitation, the inventions and improvements described and claimed therein, and those patents and patent applications listed on Schedule 1 attached hereto and made a part hereof, all licenses thereof and (i) the reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, (ii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, and (iii) all rights corresponding thereto throughout the world (all of the foregoing being sometimes hereinafter individually or collectively referred to as the "Patents"); and

(d) all other intellectual property rights, now owned or hereafter acquired by Borrower, including, without limitation, the intellectual property listed on Schedule 1, including, without limitation, trade secrets, know-how and confidential business information, computer software, computer programs, source code, data and documentation (including electronic media) and licenses thereof, and (i) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements thereof, and (ii) all rights corresponding thereto throughout the world (collectively referred to as "Intellectual Property Rights").

3. **Continuing Liability.** Borrower expressly agrees that, notwithstanding anything to the contrary in this Agreement, it shall remain liable under each license, interest and obligation assigned to the Agent under this Agreement to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with and pursuant to the terms and provisions applicable to Borrower and shall retain the right to sue and recover for past, present and future infringements thereof. The Agent shall have no obligation or liability under any such license, interest or obligation by reason of or arising out of this Agreement or the assignment thereof to the Agent or the receipt by the Agent of any payment relating to any such license, interest or obligation pursuant hereto, nor shall the Agent be required or obligated in any manner to perform or fulfill any of the obligations of Borrower thereunder or pursuant thereto, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any such license, interest or obligation, or to present or file any claim, or to take any action to collect or enforce any performance of the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

4. **Effect of Collateral Assignment and Remedies.** Borrower agrees that upon the occurrence of an Event of Default (after any applicable grace or cure periods) under the Loan Agreement, the Agent, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Borrower or any other person (all and each of which demands, advertisements or notices are hereby expressly waived), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, or may forthwith sell, lease, assign, give option or options to purchase, or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more public or private sale or sales, at any exchange, broker's board or at any of Agent's or its successor's offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk, and Agent shall apply the net proceeds (after expenses) of any such sale, lease, assignment or other disposition against the Obligations in such order as Agent in its sole discretion shall determine, Borrower remaining liable for any deficiency therein. Agent shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Borrower, which right or equity is hereby expressly waived and released. To the fullest extent permitted by applicable law, Borrower waives all the claims, damages and demand against Agent arising out of the repossession, retention or sale of the Collateral. Borrower agrees that Agent need not give more than 10 days' notice of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matter.

5. **Refiling.** If, before the Debt is paid in full, Borrower obtains any rights in or to any new or additional Intellectual Property Rights, the provisions of this Agreement shall apply thereto and Agent is hereby authorized to amend Schedule 1 and refile this Agreement as appropriate.

6. **Power of Attorney.** Borrower hereby authorizes the Agent, from and after the occurrence of any Event of Default (after any applicable grace or cure periods), to make, constitute and appoint any officer or agent of the Agent, in the Agent's sole discretion, as Borrower's true and lawful attorney-in-fact, with power (i) to endorse the applicable Borrower's name on all applications, documents, papers and instruments necessary or desirable for the Agent in the perfection of a security interest in the Collateral, (ii) in accordance with this Agreement and applicable law, to assign, pledge, convey or otherwise transfer title in or dispose of the Collateral to anyone. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue of this Assignment. This power of attorney shall be irrevocable until all of the Debt has been paid in full and all of the financing arrangements between Borrower and the Agent have been terminated and Lenders have no further obligation to make loans to Borrower.

7. **Specific Performance; Injunctive Relief.** Borrower agrees that, in addition to all other rights and remedies granted to Agent in this Agreement, the Loan Agreement and any other collateral security document, Agent shall be entitled to specific performance and injunctive and other equitable relief, and Borrower further agrees to waive any requirement

for the securing or posting of any bond or other security in connection with the obtaining of any such specific performance and injunctive or other equitable relief.

8. **Grant of License to Use Intangibles.** In addition to and for the purpose of enabling the Agent to exercise rights and remedies under this Agreement, Borrower shall permit Agent reasonable access to all media in which any of the Collateral may be recorded or stored and to all computer programs used for the compilation or printout thereof. In addition, upon an Event of Default (after any applicable grace or cure periods), Agent, and its assigns, shall have a non-exclusive license throughout the world in all Trademarks, Patents, Copyrights, and Intellectual Property Rights for the manufacture, sale and distribution of inventory or other goods of Borrower and for the sale and use of any assets of Borrower in which Agent has a security interest, lien or charge (whether now or in the future.)

9. **Representation and Warranties.** Borrower represents and warrants that Schedule 1 contains a complete and correct list of all the trademark registrations and trademark applications, copyright registrations and copyright applications and patents and patent applications, respectively, if any, (i) owned by Borrower, or (ii) licensed to or by Borrower (together with the terms of such licenses). Borrower additionally represents and warrants to the best of its knowledge that except as set forth in Schedule 1, there is no currently pending patent application on which any agent or employee of Borrower or Subsidiary is listed as an inventor. Except as set forth in Schedule 1, Borrower owns free and clear of all liens all right, title and interest in, or has full right and authority to use, all Collateral necessary or desirable for the conduct of its business as currently conducted, as previously conducted or as currently proposed to be conducted. Except as set forth in Schedule 1, to the best of the Borrower's knowledge, no claim by any other person or entity ("Person") contesting the validity or ownership of any Collateral has been made, is currently outstanding or is threatened and neither Borrower nor any executive thereof has received any notice of, or is aware of any fact which would indicate a likelihood of, any infringement or misappropriation upon, or conflict with, any other Person's intellectual property. Except as set forth in Schedule 1, to the best of the Borrower's knowledge, none of the Collateral infringes upon or misappropriates, or conflicts with, any intellectual property of any Person, and no infringement, misappropriation or conflict will occur as a result of the continued operation of the business as now conducted or as currently proposed to be conducted. The transactions contemplated by this Agreement will have no adverse effect on any of Borrower's rights in and to the Collateral. Borrower further agrees that it will at its expense, at the Agent's request, defend the Agent's and Borrower's respective interests in the Collateral from any and all claims and demands of any other person where failure to take such action will not have a material adverse effect on Borrower or Borrower's business and that it will not grant, create or permit to exist any lien upon or security interest in the Collateral in favor of any other person except liens permitted by the Loan Agreement; provided, however, that prior to the occurrence of an Event of Default and until the expiration of any applicable grace or cure period, nothing contained in this Agreement shall affect Borrower's right to grant non-exclusive licenses to third parties to use any portion of the Collateral.

10. **Restrictions on Future Agreements.** Borrower agrees that until all of the Obligations have been satisfied in full and the Loan Agreement has been terminated and

Lender's have no further obligation to make loans or issue letters of credit for the benefit of Borrower, it will not, without Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is materially inconsistent with Borrower's obligations under this Agreement and Borrower further agree that it will not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would materially affect the validity or enforcement of any of the rights transferred to Agent under this Agreement.

11. Covenants Regarding Collateral.

(a) Except as to Collateral which Borrower in its judgment determine to be in its best interests to abandon or not to enforce or protect, Borrower (either itself or through licensees) shall (i) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain each Trademark in full force free from any claim of abandonment for non-use, (ii) employ each Trademark, Copyright and Patent with the appropriate notice of application or registration on applicable products or services, (iii) not do any act or knowingly omit to do any act whereby any Patent may become invalidated or unenforceable, any Trademark right may become abandoned or unenforceable, any Copyright right may become unenforceable, or any Intellectual Property Right may become unenforceable (and not permit any licensee or sublicensee thereof to), (iv) prosecute diligently any trademark application, copyright application or any patent application which is pending as of the date of this Agreement or thereafter, until the Obligations shall have been paid in full, and (v) preserve and maintain all rights in and to the Collateral.

(b) Except as set forth in Schedule 1, Borrower shall notify Agent reasonably promptly if it knows, or has reason to know, that any application or registration relating to any of the Collateral may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in any governmental office, agency, ministry or the like or in any court) regarding Borrower's ownership of any of the Collateral, its right to register the same, or to keep and maintain the same, except for such abandonment, determination or dedication which is permitted under subparagraph (a) above.

(c) Borrower will take all necessary steps, including, without limitation, in any proceeding before any governmental office, agency, ministry or the like in any country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of the Collateral, including, without limitation, filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings (except to the extent that dedication, abandonment or invalidation is permitted under subparagraphs (a) and (b) above) or as set forth in Schedule 1.

(d) In the event that any of the Collateral is infringed, misappropriated or diluted by a third party, Borrower shall provide reasonably prompt notice to Agent and take such action as Borrower shall reasonably deem appropriate under the circumstances, which

may include suit for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution to protect such Collateral.

(e) At its option, Agent may discharge taxes, liens or security interests or other encumbrances at any time levied or placed on the Collateral, may place and pay for insurance on the Collateral upon failure by Borrower to provide insurance satisfactory to the Agent. Borrower agrees to reimburse Agent on demand for any payment reasonably made and any expense incurred by Agent pursuant to the foregoing authorization. Subject to Agent's rights under the Loan Agreement, until an Event of Default occurs and after expiration of any applicable grace or cure period and an acceleration of the Obligations, Borrower may have possession of the Collateral and use it in any lawful manner not inconsistent with this Agreement.

12. **Notice.** All notices or other communications hereunder shall be given in the manner and to the addresses provided in the Loan Agreement.

13. **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

14. **No Waiver; Cumulative Remedies.** The Agent shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder, and no waiver shall be valid unless in writing, signed by the Agent, and then only to the extent therein set forth. A waiver by the Agent of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Agent would otherwise have had on any future occasion. No failure to exercise nor any delay in exercising on the part of the Agent any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other right, power or privilege. The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law or in the Loan Agreement or any other agreements between the parties.

15. **Waivers; Amendments.** None of the terms and provisions of this Agreement may be waived, altered, modified or amended except by an instrument in writing executed by the parties hereto.

16. **Limitations by Law.** All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law which may be controlling and are limited to the extent necessary so that it will not render this Agreement invalid, unenforceable in whole or in part or not entitled to be recorded, registered or filed under the provisions of any applicable law.

17. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and its respective successors and assigns, and nothing herein or in the Loan Agreement or any other collateral security document is intended or shall be construed to give any other person any right, remedy or claim under, to or in

respect of this Agreement, the Loan Agreement or any other collateral security document. This Agreement may be signed in separate counterparts.

18. **Termination and Reassignment.** Agent agrees that upon the termination or expiration of the Loan Agreement, termination of any obligations of Lenders to make loans to or issue letters of credit for Borrower and the payment and performance in full of all Debt, Agent will promptly execute documents releasing the liens, security interests and charges created hereby and to reassign Agent's interest in the collateral to Borrower, without warranty, representation or guaranty of any nature or kind.

19. **Applicable Law.** Unless the Agent's interests in any Collateral are necessarily subject to the law of another jurisdiction or country, this Agreement shall be governed by, and be construed and interpreted in accordance with, the internal laws (and not the laws of conflict) of the State of Michigan.

20. **Entire Agreement.** This Agreement constitutes the entire understanding of the parties relating to the subject matter of this Agreement, and may only be amended or modified in writing signed by all parties.

21. **Waiver Of Jury Trial.** THE AGENT AND THE BORROWER, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL, KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT EITHER OF THEM MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY RELATED INSTRUMENT OR AGREEMENT, OR ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, OR ANY COURSE OF CONDUCT, DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN), OR ACTIONS OF ANY OF THEM. NEITHER THE AGENT NOR THE BORROWER SHALL SEEK TO CONSOLIDATE, BY COUNTERCLAIM OR OTHERWISE, ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THESE PROVISIONS SHALL NOT BE DEEMED TO HAVE BEEN MODIFIED IN ANY RESPECT OR RELINQUISHED BY EITHER THE AGENT OR THE BORROWER EXCEPT BY A WRITTEN INSTRUMENT EXECUTED BY BOTH OF THEM.
