ASSIGNMENT

WHEREAS, Jose Maria Aguila Plassa of Barcelona, Spain and Francisco Javier Llavina Nadal of Barcelona, Spain have invented, with other co-inventors (Richard A. Berger of Ellisville, Missouri, Clifton M. Buell of Ellisville, Missouri, Kevin Ike Wilson of Brookston, Texas, R. Daniel Hickman of Powderly, Texas, and Barry Janeway of Paris, Texas), certain new and useful improvements for a Method and Apparatus for Making Loaves Crustless, Sliced Bread (hereinafter referred to as "Invention") for which an application for Letters Patent in the United States of America was filed on February 11, 2003, and assigned Serial No. 10/364,657; and

WHEREAS, José María Aguilá Plassa and Francisco Javier Llavina Nadal desire to assign all right, title and interest in said Invention, said application disclosing the Invention and any Letters Patent which may be granted therefor to Sara Lee Bakery Group, Inc., a corporation of the State of Delaware, having its principal office and place of business at 8400 Maryland Avenue, St. Louis, Missouri 63105 (hereinafter referred to as "Assignee"); and

WHEREAS, Assignee, is desirous of acquiring the entire right, title and interest in and to said Invention and improvements as disclosed in said application, in and to said application, and in and to any Letters Patent which may be granted therefor.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and adequacy of all of which are hereby acknowledged, we, Jose Maria Aguila Plassa, and Francisco Javier Llavina Nadal have sold, assigned and transferred, and do hereby sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest in and to said Invention and improvements as the same are disclosed in said application, in and to said application, and in and to any Letters Patent, including any divisions, continuations, continuations-in-part, reissues, reexaminations, and extensions to be obtained thereof, in the United States, and countries foreign thereto, which may be granted for said Invention; and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto; and we further agree to cooperate with the Assignee hereunder in the obtaining and sustaining of any and all such Letters Patent as the Assignee may desire to apply for, but at the expense of said Assignee.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Letters Patent to said Assignee, as Assignee of the whole right, title and interest thereto; and we further agree to execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or for obtaining any reissue or reissues of any Letters Patent which may be granted for our aforesaid Invention, as the Assignee, or its designees may require and prepare at its own expense; and execute all necessary and lawful future documents including assignments in favor of Assignee, or its designees, as Assignee or its designees may present to us in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and Letters Patent of the United States and countries foreign thereto.
