ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned hereby assign, transfer and convey to FLINT HILLS SCIENTIFIC, L.L.C., a corporation created and existing under and by virtue of the laws of the State of Kansas, and having a principal place of business at 5020 West 15th Street, Suite A, Lawrence, Kansas 66049, its successors, legal representatives and assigns, the entire right, title and interest in and to our invention for improvements in "UNITIZED ELECTRODE WITH THREE-DIMENSIONAL MULTISITE, MULTIMODAL CAPABILITIES FOR DETECTION AND CONTROL OF BRAIN STATE CHANGES", in and to the Patent Application of the United States therefor executed by us on the 15th day of July, 2003, and in and to all applications for Letters Patent, or similar legal protection which may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States, and all continuations, divisionals, continuations-in-part, extensions, renewals and reissues thereof, or legal equivalent thereof.

We hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications aforesaid, to issue all Letters Patent or similar legal protection for said invention to said FLINT HILLS SCIENTIFIC, L.L.C., the same to be held by said FLINT HILLS SCIENTIFIC, L.L.C. for its own use and behoof and for the use and behoof of its successors, legal representatives, or assigns, to the full end of the term for which said Letters Patent or similar legal protection are or may be granted, as fully and entirely as the same would have been held and enjoyed by us had this assignment and sale not been made.

For said consideration, we hereby agree, upon the request of said assignee, its successors, legal representatives and assigns, to execute any and all applications for Letters Patent or similar legal protection as aforesaid, and any supplemental oath relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted thereon that said assignee, its successors, legal representatives or assigns may deem necessary or expedient, and for said considerations, we further agree, upon the request of said assignee, its successors, legal representatives or assigns, in the event of said applications for Letters Patent or similar legal protection or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in Interference, to cooperate to the best of our ability with said assignee, its successors, legal representatives or assigns in the matters of preparing the preliminary statement and giving and producing evidence in support thereof. We hereby agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent or similar legal protection and to vest all rights therein hereby conveyed in the assignee, its successors, legal representatives and assigns, as fully and entirely as the same would have
