

ASSIGNMENT

WHEREAS, Porex Corporation, ASSIGNOR, having its place of business at 500 Bohannon Road, Fairburn, Georgia 30213, is the sole owner of the entire right, title and interest in the invention described in United States patent application no. 10/364,667, filed February 12, 2003, by virtue of an assignment executed by Peter Paul Blaszcak, Howard Keith Spencer, and Thomas Taggart on June 26, 2003, and filed for recordation in the United States Patent and Trademark Office on July 15, 2003, a copy of which is attached hereto.

WHEREAS, Porex Bio Products, Inc., ASSIGNEE, having its place of business at 1120 Holm Road, Petaluma, California 94954 is desirous of obtaining the entire right, title and interest in, to and under the said invention and the said application.

NOW, THEREFORE, ASSIGNOR hereby assigns, transfers and sets over unto ASSIGNEE, its successors, legal representatives and assigns, ASSIGNOR'S entire right, title and interest in, to and under the said invention, and the said United States patent application and all divisions, renewals and continuations thereof, and all patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND ASSIGNOR HEREBY authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 23rd day of July, 2003.
