WHEREAS, we, **Mark E. Peters**, of 7105 Vailsgate Court, Hamilton, OH 45011 and **Gregory W. Popp**, 900 Natalie Lane, Lebanon, OH 45036, (Assignors) have invented certain new and useful improvements which are described and claimed in National Stage United States Patent application filed herewith, Attorney Docket No. **100281-49304**, based on International Application **PCT/US01/45519** Filed November 15, 2001, that claims priority of Provisional Patent Application No. **60/249,765**, Filed November 17, 2000, all entitled

VALVE WITH SMART HANDLE

WHEREAS, **CONTROLINK, LLC.** a corporation having its principal place of business at 9470 Meridian Way, West Chester, OH 45069 and **INO THERAPEUTICS, INC.**, a corporation having its principal place of business at 6 Route 173, Clinton, NJ 08809 are desirous of acquiring the entire interest in and to said invention, said applications and all patents to be obtained therefrom.

NOW, THEREFORE, for and in consideration of valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and set over, and by these presents do hereby sell, assign and set over unto the said **CONTROLINK, LLC. and INO THERAPEUTICS, INC.**, (Assignee), and said Assignee's legal representatives, successors, the entire right, title and interest in and to said invention and said application, as well as any subsequent application which claims priority based upon the filing date of said application and the patent that may or shall result therefrom including the right to claim in respect of any subsequent patent applications and patents, the priority date of any of said applications under any United States statute and international convention or treaty; and we do hereby authorize and request the issuance of said patents conformably to the terms of this Agreement.

UPON SAID CONSIDERATION, we do hereby covenant and agree with said Assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, execute additional assignments and other writings and so such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining provisional, original, continuation, continuation-in-part, divisional, reissued, re-examined or extended patent on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, including but not limited to, giving testimony in any proceedings or transactions involving such applications or patents, and executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind and inure to the benefit of the assigns and legal representatives of all parties hereto.

IN WITNESS WHEREOF, and intending to be legally bound hereby, we have duly executed this Assignment.
