Title: "Process for Analysis of a Sample"

U.S. Patent No.: 6,080,986

Issue Date: June 27, 2000

Title: "Secondary Ion Mass Spectrometer with Aperture Mask"

and,

WHEREAS, FEI Company, an Oregon Corporation, having its principal place of business at 5350 NE Dawson Creek Drive, Hillsboro, OR 97124-5793 (the "Assignee"), is desirous of acquiring, and Assignor is desirous of assigning to Assignee all right, title, and interest in and to said Inventions, and all patents and patent applications on said Inventions;

NOW, THEREFORE, Assignor, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby SELL, ASSIGN and CONVEY unto Assignee all right, title and interest throughout the world in and to said inventions, this assignment including, but not being limited to:

1. All patents and applications for patent or like protection on said Inventions made by Assignor or its legal representatives, whether in the United States of America or any other country or place anywhere in the world;
2. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extension, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws or statutes;
3. All rights of action on account of past, present and future unauthorized use of said Invention and for infringement of said patents and like protection;
4. The right to file in its name applications for patents and like protection for said Inventions in any country or countries foreign to the United States; and
5. All international rights or priority associated with said Inventions, applications for patents, patents and like protection.

Assignor hereby authorizes and requests the Director of U.S. Patent and Trademark

Office, and all other national patent offices in which corresponding applications are filed, to issue any patents for the said Inventions to Assignee for its use and behoof, to the full end of the term for which said patents may be granted, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made.

Assignor covenants that Assignor, its heirs, legal representatives, assigns, administrators, and executors will execute all papers and perform such other acts, with expenses if any to be paid by Assignee, as may be reasonably necessary to give Assignee, its successors and assigns, the full benefit of this Assignment. This Assignment shall be binding upon and shall inure to the benefit of the successors, assigns and legal representatives of the parties hereto.

The undersigned represents that he has the authority to execute this Assignment on behalf of FEI Deutschland GmbH.
