DECLARATION OF DAVID BARKER

I David Barker declare that the following facts are true and correct.

1. I was employed by Molecular Dynamics, now Amersham Biosciences (SV) Corp, as a corporate officer having that title of Vice President, Research and Business Development.
2. In 1997, on behalf of Molecular Dynamics, I signed a Consulting Services Agreement with Wave Optics. This agreement obligated Mr. Ronan and Wave Optics to assign any invention resulting from consulting services to Molecular Dynamics. The term of this agreement was from 9/5/97 to 9/5/99
3. Any invention which Gregory Ronan invented during this period relating to Molecular Dynamics' technology, including the invention disclosed in the patent application Ser. No. 09/770,412 entitled Method of Merging Chemical Reactants in Capillary Tubes, is subject to a contractual obligation to assign this invention to Molecular Dynamics.
4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 USC 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Declaration of Stevan Jovanovich

I Stevan Jovanovich declare that the following facts are true and correct.

1. I am an employee of Molecular Dynamics, now Amersham Biosciences.
2. In 1997, Molecular Dynamics entered into a Consulting Services Agreement with Wave Optics. This agreement obligated Mr. Ronan and Wave Optics to assign any invention resulting from consulting services to Molecular Dynamics. The term of this agreement was from 9/5/97 to 9/5/99.
3. During that period of time, I have personally worked with Mr. Ronan on a number of projects and made several joint inventions. These include the invention disclosed in the patent application Ser. No. 09/770,412 entitled Method of Merging Chemical Reactants in Capillary Tubes. Thus Mr. Ronan is subject to a contractual obligation to assign this invention to Molecular Dynamics.
4. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 USC 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
