## ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment of Intellectual Property (the "Assignment"), dated January 9, 2004 is made by and between **ALCOA PACKAGING MACHINERY, INC.**, a corporation organized under the laws of Delaware ("Assignor") and **STOLLE MACHINERY COMPANY, LLC f/k/a APE ACQUISITION, LLC**, a limited liability company organized under the laws of Delaware ("Assignee").

### RECITALS

WHEREAS, pursuant to the Acquisition Agreement, dated December 24, 2003 (the "Agreement"), among **ALCOA SECURITIES CORPORATION**, a corporation organized under the laws of Delaware ("ASC"), **ALCOA PACKAGING MACHINERY, INC.**, ("APMI" or "Assignor") (collectively, ASC and APMI are referred to as "Seller"), **STOLLE MACHINERY, INC.**, a Delaware corporation ("Stolle"), **ALCOA INC.**, ("Alcoa") (solely with respect to those rights, duties and obligations explicitly set forth herein), and **APE ACQUISITION, LLC**, ("Purchaser" or "Assignee"), Purchaser desires that Assignee acquire from the Assignor the Company Owned Intellectual Property and/or the Company Affiliate Owned Intellectual Property (collectively, the "Intellectual Property Rights");

WHEREAS, as a result of the conveyances contemplated by the Agreement, a Merger between the Purchaser and Stolle will occur at the Effective Time, Purchaser will be the entity that survives the Merger, and Purchaser will, at the Effective Time or immediately thereafter, change its corporate name from **APE ACQUISITION, LLC** to **STOLLE MACHINERY COMPANY, LLC**; and

WHEREAS, pursuant to the Agreement, Assignor desires to assign to Assignee, and Assignee desires to acquire, all of Assignor's right, title, and interest in and to all of the Intellectual Property Rights, including the Patents set forth on Exhibit A and the Marks set forth on Exhibit B hereto (collectively, the "Assigned Intellectual Property Rights").

### AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, the covenants and agreements contained in the Agreement and in this Assignment, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and to implement the conveyances of the Intellectual Property Rights contemplated by the Agreement, and intending to be legally bound, Assignor hereby agrees as follows:

1. Capitalized terms used but not defined in this Assignment shall have the meanings ascribed to such terms in the Agreement.

2. Assignor does hereby sell, transfer, convey, assign, grant, set over and deliver to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the Assigned Intellectual Property Rights, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, designees, nominees and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made, together with (i) all causes of action (in law or equity), claims, demands and any other rights for, or arising from, any past, present or future infringement, of the Assigned Intellectual Property Rights, (ii) the right to sue for and collect any damages for the use and benefit of Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives, and (iii) to the extent that any trademark or service mark applications included in the Assigned Intellectual Property Rights are filed on the basis of Assignor's "intent to-use" such trademarks or service marks, the portion of the business to which those trademarks or service marks apply (which business is ongoing and existing).

3. Assignor represents and warrants that, at the time of the execution and delivery of this Assignment, it possesses the right and authority to make this Assignment.

4. As may be requested by Assignee or its designee or other legal representative from time to time after the date hereof, Assignor agrees to assist Assignee, or Assignee's successors, assigns, designees, nominees or other legal representatives, in a commercially reasonable manner, without further consideration, to (i) record and perfect the assignment of the Assigned Intellectual Property Rights and (ii) secure Assignee's rights in the Assigned Intellectual Property Rights, including, the execution and delivery of all oaths, assignments, powers-of-attorney, and similar instruments that Assignee deems necessary to assign and convey to Assignee, or Assignee's successors, assigns, designees, nominees or other legal representatives, all right, title and interest in and to the Assigned Intellectual Property Rights.

5. Assignor hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office, the Commissioner of the United States Copyright Office and all other applicable bureaus or offices whose duty it is to issue patents, register trademark and service mark registrations, or register copyrights to issue or register as appropriate, the same to Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives in accordance with the terms of this Assignment.

6. In the event of a conflict between the terms of this Assignment with any agreement entered into or other document filed for the purposes of recording the assignments contemplated herein with applicable bureaus or offices whose duty it is to issue patents, register trademark and service mark registrations, or register copyrights (such agreement or document, the "Local Filing"), the provisions of this Assignment shall control and prevail. Any such Local Filing is merely for recording the assignments contemplated herein and does not alter, modify or supercede the terms and conditions of this Assignment. Notwithstanding the foregoing, to the extent any provision of any Local Filing conflicts with this Assignment and is required to effectuate the recording of the Local Filing under the laws of the jurisdiction where the Local Filing is to be recorded, such conflicting provision shall control and prevail for the purposes of recording the Local Filing in the applicable jurisdiction.

7. This Assignment is effective as of the date **APE ACQUISITION, LLC** changes corporate name to **STOLLE MACHINERY COMPANY, LLC**.
