For value received, I,

Michael L. Obradovich, a citizen of the United States,  
who reside at:

1904 Aveneda Salvador  
San Clemente, California 92672,

hereby sell, assign and transfer to American Calcar Inc., a corporation of the State of Delaware, having an office at 3511 Silverside Road, Suite 105, Wilmington, Delaware 19810, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States, in and to certain inventions related to TECHNIQUE FOR OPERATING A VEHICLE EFFECTIVELY AND SAFELY described in PCT International Application No. PCT/US01/29425, filed on September 21, 2001, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to American Calcar Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize American Calcar Inc. to make application for such protection in its own name and maintain such protection in the United States and in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of American Calcar Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to American Calcar Inc. in the United States and in any and all countries foreign to the United States, or to such nominees as American Calcar Inc. may designate.

I agree that, when requested, I shall, without charge to American Calcar Inc., sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
