**Certified Translation of the non-English parts of the Trade Register of the  
Canton of Zürich - Main Register**

Company No. CH-020.3.924.534-8  
Bruker BioSpin AG

Purpose

Production and distribution of scientific devices; acquisition and assessment of patents; holding shares in companies of similar type; planning and construction of research plants and institutes, in particular in the field of magnetic resonance. The company can have shares in other companies and acquire, maintain and sell estates.

Remarks

The excerpt transferred from a previous register card does not contain any facts which were deleted before transfer and no possibly existing earlier statute data or diary and SHAB citations either. These can be viewed on the trade register card referred to in the field "transferred from".

Information to the share holders is provided legally effectively with registered letter if the addresses of all share holders are known; otherwise through publication in the SHAB.
