## **PATENT ASSIGNMENT**

---

WHEREAS. **Bell Sports, Inc.**, a corporation of the State of California, having its principal place of business at 380 Encinal Street, Santa Cruz, California 95060 (hereinafter "Assignor") owns certain inventions and improvements disclosed in United States Patents and Applications for Patent identified in Schedule A attached hereto; and

WHEREAS. **Yakima Products, Inc.**, a corporation of the State of California having a principal place of business at 1385 8<sup>th</sup> Street, Arcata, California 95521 (hereinafter "Assignee"), is desirous of acquiring an interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which Assignor hereby acknowledges, said Assignor does hereby sell, assign and transfer unto Assignee the full and entire right, title, and interest in and to said Patents and pending Applications for Patent identified in Schedule A, and in and to any divisions, continuations, and reissues thereof; and Assignor hereby requests the Commissioner of Patents and Trademarks to issue any and all Patents of the United States resulting from said applications, or from a division, continuation, or reissue thereof, to Assignee, for its interest and for the sole use and benefit of Assignee and its assigns and legal representatives;

For the same consideration, Assignor, by these presents does sell, assign, and transfer to Assignee, the full and entire right, title and interest in and to any foreign patents or applications corresponding to the above-referenced patents and applications, in whole or in part, in countries other than the United States, in and to any Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Assignee, or its designee insofar as permitted by applicable law.

AND, for the same consideration, Assignor agrees to sign all lawful papers, execute all division, continuing, reissue and other applications, and make all assignments and rightful oaths as reasonably necessary to aid Assignee, its successors, assigns, and nominees, in obtaining patent protection for all said inventions and improvements in all countries throughout the world.
