ASSIGNMENT

THIS ASSIGNMENT is made by Joseph LeGasse (hereinafter called "Assignor") in favor of Invisiworks, LLC, a Delaware limited liability company (hereinafter called "Assignee").

WHEREAS, the Assignor have invented certain new and useful improvements in the Mobile Lift-Assisted Patient Transport Device and have filed a patent application with respect thereto; and

WHEREAS, Invisiworks, LLC, and its successors, assigns and legal representatives (collectively, hereinafter called "Assignee"), is desirous of acquiring Assignor's right, title and interest in and to the patent application listed in the Attachment hereto;

NOW, THEREFORE, for one dollar (\$1.00) and other valuable consideration the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers, sells and assigns to Assignee all of Assignor's right, title and interest in the patent application listed in the Attachment hereto, any further patents and patent applications based thereon or claiming a right of priority therefrom in which Assignor has any interest in any country (including, without limitation, any divisional, continuation, continuation-in-part, and/or foreign applications), any patents issuing on any such applications, and any reissue, reexamination or extension of any such patents (collectively, the "Patent Application"); and all inventions, modifications, advances, new and/or useful improvements disclosed and/or claimed in the Patents Application (collectively, the "Inventions").

Assignor hereby transfers, sells and assigns to Assignee all right, title and interest to the Inventions throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for such Inventions in Assignee's own name (or those of its designees) throughout the world, including all rights of priority, all rights to publish cautionary notices reserving ownership of the Inventions, and all rights to register the Inventions in appropriate registries. Assignor authorizes and requests the Commissioner of Patents and Trademarks, or any other official whose duty is to issue patents, to issue such patents for the Inventions, and Patent Application to the Assignee (or its designees).

Assignor further agrees and confirms agreement to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers requested by Assignee to perfect the transfer to Assignee of all right, title and interest in the Patent Application, the Inventions and any applications filed thereon or patents issuing therefrom.

Assignor hereby further agrees that it will communicate to Assignee and its legal representatives any facts known to Assignor respecting the Patent Application, the Inventions and any applications filed thereon or patents issuing therefrom and, at the expense of Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title in Assignee and to aid Assignee and its legal representatives to obtain and enforce proper protection for said Inventions in all countries.

IN WITNESS WHEREOF, Assignor have caused this Assignment to be duly executed by its authorized representative under seal as of October 27, 2001.
