Contract No.: F49620-97-1-0501

Contractor: University of Southern California

The invention identified above is a "Subject Invention" under Patent Rights clause included in Contract Number F49620-97-1-0501 with the United State Air Force.

This document is confirmatory of the nonexclusive, nontransferable, irrevocable, paid-up license granted to the Government under this contract in this invention, patent application and any and all divisions or continuations, and any resulting patent or reissues which may be granted thereon, and of all other rights acquired by the Government by the referenced clause.

The Government is hereby granted an irrevocable power to inspect and make copies of the above-identified patent application.

Signed this 10th day of September, 2002

University of Southern California
