ASSIGNMENT

For and in consideration of the sum of One Dollar (\$1.00) in hand paid by DAREX CORPORATION, ("DAREX") (hereinafter Assignee), a corporation duly organized and existing under the laws of the State of Oregon, and having an office at 220 E. Hersey Street, Ashland, Oregon, and for other valuable and sufficient consideration, receipt of which is hereby acknowledged, we, Gary Varney, Dennis Sovolik, Will Hilligoss, Jim Wilttrout and John Griffin, have sold, assigned, and conveyed and do hereby sell, assign, and convey unto said Darex Corporation, its successors or assigns, our entire right, title, and interest:

(1) in and to an invention entitled "**Tool Sharpener**", as described or intended to be described in an application for Letters Patent of the United States an application filed March 21, 2003, as application Serial No. 10/393,343;.

(2) in and to all other applications for Letters Patent of the United States (including divisional, continuation, substitute, and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including extensions and reissues, if any, to the full end of the term or terms for which said patents may be granted; and

(3) in and to all applications for patents on said invention or any application for invention certificate now or hereafter filed in countries foreign to the United States of America, including any applications for patent filed under the Patent Cooperation Treaty and/or the European Patent Convention or under any other International Convention and to any and all patents and invention certificates granted on said applications to the full end of the terms for which said patents and invention certificates may be granted.

We do hereby covenant and agree that we will, upon request of Assignee, its successors, or assigns, and without further consideration to us:

1. execute any and all papers deemed necessary by said Assignee, its successors or assigns, to fulfill the intent and purpose of this agreement, and
2. provide the Assignee, its successors or assigns, with all pertinent facts and documents relating to said invention or said application and will testify as to the same in any judicial or other proceeding related thereto;

it being understood that any expense incident to such activities shall be paid by said Assignee, its successors or assigns and not by us,

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said Letters Patent of the United States, and each of them, to the said Assignee, its successors or assigns, as the assignee of our entire right, title and interest therein.
