PATENT ASSIGNMENT

Cogency Semiconductor Inc., an Ontario corporation whose principal office or place of business is 362 Terry Fox Drive, Kanata, Ontario, Canada K2K 2P5;

(hereinafter called ASSIGNOR)

Intellon Corporation, a Delaware corporation whose principal office or place of business is 5100 West Silver Springs Blvd., Ocala, Florida, 34482, USA;

(hereinafter called ASSIGNEE)

WHEREAS the Assignor and Assignee executed an Asset Purchase Agreement dated December 30, 2003, which provides for the purchase by Assignee of certain patent rights of Assignor; and

WHEREAS the Assignor, for good and valuable consideration, the receipt of which is hereby acknowledged, does hereby sell, assign and transfer to the Assignee and its successors and assigns:

- (i) Assignor's entire right, title and interest in Canada, the United States and throughout the world to the patents and patent applications listed in Schedule A attached hereto, including any and all inventions described therein, and in any and all continuations-in-part, continuations, divisions, substitutes, re-issues, re-examinations, or extensions thereof, and all other applications for patent relating thereto which have been filed, or hereafter shall be filed, in Canada, the United States or in any other jurisdiction and further including all rights under treaties to file and prosecute patent applications corresponding to the preceding patents and patent applications (the "Patents");
- (ii) all of Assignor's corresponding right, title and interest in and to any patents which may issue therefore, the same to be held and enjoyed by Assignee to the full end of the term for which the said patent is granted and maintained, as fully and entirely as the same could have been held and enjoyed by Assignor, and;
- (iii) the right to take action and recover in respect of any infringement of the Patents that took place prior to the date of this Assignment.

The Assignor hereby authorizes the issuance of any and all registrations for the Patents to the Assignee, its successors, assigns or legal representatives.

The Assignor, on behalf of itself, its successors, assigns and legal representatives, hereby covenants and agrees, without further consideration, to do all such lawful acts and things and to execute such further lawful assignments, documents, assurances, applications and other instruments as reasonably may be required by the Assignee, its successors, assigns or legal representatives, to obtain any and all registrations for the Patents and to vest the same in the Assignee, its successors, assigns or legal representatives.

The Assignor hereby agrees to execute and sign all documents required to effect a recordation of the assignment of the Patents and registrations thereof before the proper office or agency.
