**ASSIGNMENT**

WHEREAS, I, Craig W. Crall, residing at 140 Las Astas Drive, Los Gatos, CA 95032, have made an invention entitled:

**SEMI-ROTATING VALVE ASSEMBLY FOR USE WITH  
AN INTERNAL COMBUSTION ENGINE**

and have made application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on May 28, 2003 as United States Patent Application No.10/447,545; and

WHEREAS, Dragon America Motor Technologies, Inc., a corporation organized and existing under the laws of State of California and having an office and place of business at 1479 Tyler Park Way, Mountain View, CA 94040 is desirous of acquiring the entire interest in said invention, in said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to me paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign, and transfer unto the said Dragon America Motor Technologies, Inc., its successors, assigns, and legal representatives, all right, title, and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said application, including any continuations and divisions thereof, and any substitute applications therefor, and any patent which may issue thereon, and any reissues of the same; and including the right to claim priority under the International Convention based on said patent application; and all right, title, and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations, and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same;

and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said Dragon America Motor Technologies, Inc., as the assignee of the entire interest therein;

and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name and affixed my seal on the date indicated hereinafter:
