being transferee, by way of assignment from the inventor **Richard H. Chllibeck**, of certain
inventions or improvements described and claimed in:

United States Patent No. **6,692,636**
Scheduled to issue 17 February 2004
Titled **APPARATUS REMOVING METALLIC PARTICLES FROM EFFLUENT
LIQUID WASTE**
Arising from United States Patent Application Serial No. 09/908,682, filed 18 July
2001.

AND WHEREAS, **Maximum Separation Systems Inc.**, a British Columbia,
Canada corporation (hereinafter called the "Assignee") having a full post office address of:

6588 Sooke Road
Sooke, British Columbia
Canada V0S 1N0

has acquired, by assignment, the entire right, title and interest in and to the said inventions
or improvements, and in and to the said application and patent, and in, to and under any
and all Letters Patent which may be granted on or as a result thereof in any and all
countries;

AND WHEREAS it is desired, by this Memorandum, to confirm the
assignment aforesaid, and to provide evidence thereof for recordal in such Patent Offices
as may be expedient;

NOW THEREFORE, in consideration of the sum of **ONE HUNDRED**
(\$100.00) DOLLARS and other good and valuable consideration, the receipt and sufficiency

of which is hereby acknowledged, the Assignor, confirms that the Assignor has and does hereby sell, assign, transfer and set over to the Assignee the entire right, title and interest in and to the said inventions or improvements, and said patent and application, and any and all continuations, divisions, renewals of or substitutes for said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof, and any reissue or reissues of said Letters Patent; and assigns to and authorizes the Assignee to file in my name applications for Letters Patent for said inventions or improvements in all countries, the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me, had this assignment, sale and transfer not been made;

AND the Assignor hereby covenants that the Assignor has full right to convey the entire interest herein assigned, and has not executed and will not execute any agreement in conflict herewith, and further covenants and agrees that the Assignor will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letters Patent, in the Assignee, its successors, assigns, nominees or legal representatives, and the Assignor agrees to communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND the Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, as assignee of the entire right, title and interest, any

and all Letters Patent for said inventions or improvements, which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment.
