## ASSIGNMENT

**WHEREAS**, I, the undersigned inventor of residence as listed, having invented a certain new and useful improvement as below entitled, for which application for United States Design Letters Patent is made, said application having been executed on the date set forth below, which application was filed in the United States Patent and Trademark Office on December 23, 2003 and which has been assigned Serial No. 29/196,287; and

**WHEREAS**, GUIDO HOMMEL, a German national (hereinafter referred to as "Assignee"), with an address of Am Spitzacker 22, Karben 61184 GERMANY, desires to acquire my entire right, title and interest in and to the invention, and in and to the said design patent application and any Design Letters Patent that may issue thereon;

**NOW, THEREFORE**, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I assign to Assignee, all right, title and interest in and to said invention and in and to said design application and all patents which may be granted therefor, and all divisions, reissues, continuations, continuations-in-part and extensions thereof; and I authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as my interest is concerned, to Assignee.

I also assign to Assignee, all right, title and interest in and to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in GUIDO HOMMEL's own name throughout the world including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and I further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

I will communicate to Assignee any facts known to me respecting any improvements; and, at the expense of Assignee, I will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said invention in all countries.

This Assignment shall be binding on the parties' successors, assigns and legal representatives.
