<i>ASSIGNMENT CONFIRMATION</i>

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned,

ASSIGNOR(S): WILLIAM A. PUGH, and BRENDAN X. MACLEAN

hereby:

confirm(s) selling, assigning, and transferring to

ASSIGNEE: WESTSIDE.COM, INC., A DELAWARE CORPORATION
999 NORTH NORTHLAKE WAY
SEATTLE, WA 98103

and its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all foreign countries, in and to any and all improvements that are disclosed in the application for the United States patent that was filed on 07/24/2001 and assigned Application No. 09/912,571 entitled:

MULTI-VERSION HOSTING OF APPLICATION SERVICES

and in and to said application and all divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications that have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said United States application;

agree(s) that said Assignee may apply for and receive a patent or patents for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions and all other patent applications on any and all said improvements; execute all rightful oaths,

assignments, powers of attorney, and other papers; communicate to said Assignee, its successors, assigns, and representatives all facts known to the undersigned relating to said improvements and the history thereof; and generally assist said Assignee, its successors, assigns, or representatives in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements, and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant(s) with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned,

as the undersigned had previously attempted to sell, assign and transfer the entire interest in said application through the attached previously recorded Assignment, which incorrectly stated the state of incorporation of the Assignee as Washington rather than Delaware.
