and [check one] about to be filed already filed as 09/956,410 on September 19, 2001 in the United States Patent and Trademark Office, together with said application, and any corresponding or counterpart provisional or non-provisional application, and any divisional, continuation, substitute, reissue, re-examination application thereof, and any applications, including international applications, corresponding or being a counterpart thereto in whole or in part in the United States and all other countries. I/We also do hereby assign to Heidelberg the entire right, title and interest in and to Letters Patent and similar protective rights granted on any of these applications, as well as the right to claim any applicable priority rights arising from any of these applications under the terms of any applicable conventions, treaties, statutes or regulations. I/We agree that any of these applications, at Heidelberg's sole discretion, may be filed and issued in the name of Heidelberg or its designee. I/We agree to execute such documents which in the judgment of Heidelberg may be necessary to obtain any such patents and similar protective rights and to maintain the title thereto in Heidelberg or its designee. I/We further agree that, upon request, but without out-of-pocket expense to myself/ourselves, I/we shall furnish to Heidelberg or its designee any data, information, exhibits, memoranda, or other evidence in my/our possession relating to any of said inventions or improvements and shall testify in any ex parte or inter partes legal or administrative proceedings relating thereto. I/We authorize and request issuance of all Letters Patent and similar protective rights that may be granted on any of these applications, to the extent that and in such manner as such issuance shall be requested by Heidelberg or its designee. This document shall be governed, construed and interpreted in all respects in accordance with the laws of the State of New York, USA.
