ASSIGNMENT

Serial No: **10/438,712**

Filed: **May 9, 2003**

Invention Title: **SYSTEM HANDLING VIDEO, CONTROL SIGNALS AND POWER**

For \$1.00 (One Dollar) and other good and sufficient consideration, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assigns to ANIXTER, INC., its successors and assigns (hereinafter "Assignee"), the entire right, title and interest in the invention and improvements of the undersigned disclosed in the United States Provisional Application filed May 17, 2002 under the same title, and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee.

The undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assignment the execution date and/or filing date and serial number of said application when officially known.

The undersigned warrants that it is the owner of all rights, title and interest herein assigned, has the right to make this assignment and that there are no outstanding prior assignments, licenses, or other rights or encumbrances on the interest herein assigned.

For said consideration the undersigned hereby agrees, upon the request of Assignee, to execute any and all divisional, continuation, continuation-in-part and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said Assignee may deem necessary or expedient, and for the aforesaid consideration the undersigned further agree upon the request of said Assignee in the event of any application or patent assigned herein becoming involved in interference or opposition, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of preparing and executing preliminary statements and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in said Assignee, whereby said Letters Patent will be held and enjoyed by said Assignee to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
