ASSIGNMENT

WHEREAS, Computer Associates Think, Inc., a Delaware Corporation, having a place of business at One Computer Associates Plaza, Islandia, New York 11749, USA (hereinafter referred to as "Assignor") and ACCPAC International, Inc., a Delaware corporation having its principal place of business at 6700 Koll Center Parkway, Third Floor, Pleasanton, CA 94566 (hereinafter referred to as "Assignee") have entered into a Product Transfer Agreement in which Assignor has agreed to transfer certain assets to Assignee.

WHEREAS, Assignor is the owner of the entire right, title and interest in and to the Patents and Patent Applications described in the Schedule of Patents attached to this Assignment document as an integral part hereof (hereinafter "the Patents"); and

WHEREAS, Assignee is desirous of obtaining all right, title and interest in and to the Patents;

NOW THEREFORE, pursuant to the terms and conditions set forth in the Product Transfer Agreement and for other good and valuable consideration, the receipt of which is hereby acknowledged:

1. Assignor does hereby sell, assign, transfer and set over unto said Assignee, its successors, legal representatives and assigns, the full and exclusive right to the entire right title and interest in the Patents (including all rights to sue and recover for past infringement of the Patents), all reissues, reexamination certificates, divisions, continuations, continuations-in-part and any extensions of the Patents, and all rights to file foreign patent applications based thereon and claiming priority therefrom under the Paris Convention in all the countries in the world, including international patent applications filed according to the PCT and all national/regional phase applications which will derive from said PCT application, and all patents which may be granted thereon;

2. Assignor hereby agrees without further remuneration, to execute and deliver all documents required for transferring the Patents to said Assignee or its successors, legal representatives and assigns, to communicate to said Assignee or its representatives all facts known to the undersigned with respect to the Patents, whenever requested, to testify in any legal proceedings in which the Patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything reasonably necessary to aid said Assignee, its successors, assigns and legal representatives to register the Assignment of the Patents, the expenses incident to Assignor's obligations under this provision to be borne and paid by the Assignee.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment of the Patents on this ____ day of July, 2003.
