ASSIGNMENT AND AGREEMENT

For value received, I, Steve Armstrong of 901 Sedona Lane, Anaheim Hills, California 92808 and I, Gerald B, Chong, of 18805 Leesbury Way, Rowland Heights, California 91748, hereby sell, assign and transfer to Newfrey, LLC, a corporation of the State of Delaware, having an office at Drummond Plaza Office Park, 1423 Kirkwood Highway, Newark, Delaware 19711, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, in and to certain inventions related to **Devices, Methods, and Systems for Rekeying a Lock Assembly** described in an application for Letters Patent in the United States Patent Office filed herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States and all countries foreign to the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Newfrey, LLC, the entire right, title and interest in and to said inventions for the United States and all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in the United States or any countries foreign to the United States for said inventions.

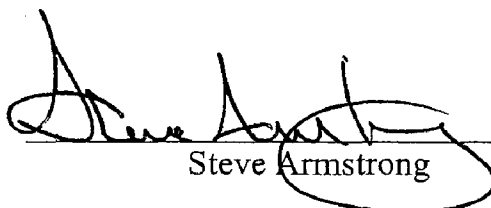

I authorize Newfrey, LLC, to make application for such protection in its own name and maintain such protection in the United States and in all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Newfrey, LLC, to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Newfrey, LLC, in the United States and all countries foreign to the United States, or to such nominees as Newfrey, LLC, may designate.

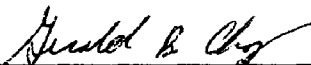

I agree that, when requested, I shall, without charge to Newfrey, LLC, but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
