ASSIGNMENT OF APPLICATION

Whereas, I, **Scott C. Helzer of Tallahassee, Florida**, hereafter referred to as applicant, have invented certain new and useful improvements in **Insect Trap System**

for which an application for a United States Patent was executed on 8/12/03 and

Whereas **Skeeter Bagger, Inc., of Tallahassee, Florida** herein referred to "assignee" whose post office address is **609 Piedmont Drive, Tallahassee, Florida 32312** is desirous acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of ten dollars (\$10.00), the receipt whereof is acknowledged, and other good and valuable consideration, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to any and all Patents which may be granted therefor in the United States, I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for its sole use and behoof, and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Executed this 12th day of **August, 2003** at **Tallahassee, Florida**
