ASSIGNMENT

Whereas, Neil B. Jensen, a citizen of Wisconsin, residing at W339 N5175 Road O, Nashotah, Wisconsin 53058 has invented an invention entitled: "Collapsible Wheel Chair With Displaceable Seat Panels" for which he has made application for Letters Patent of the United States of America; and

Whereas, Ronald J. Jensen, , residing at 18 Via Barcelona, Moraga, California 94556, desires to acquire the a half right, a half title and a half interest in and to said invention, in that Ronald J. Jensen has provided the time, equipment and resources in order for said invention to be developed:

Now, therefore, for good and valuable consideration being the payment of patent application costs, payment of patent application fees, payment of one dollar, and the receipt of which is hereby acknowledged, Neil B. Jensen by these presents does sell, assign and transfer unto said Ronald J. Jensen, his successors and assigns, a half right, a half title and a half interest, in the United States of America and all foreign countries, in and to said invention as described in a patent application executed by him on 7/10/2003 concerning subject matter of said invention, and to any improvements on said invention heretofore or hereafter made by him during the pendency of the aforesaid patent application, and any divisions or continuations, which may be filed in the United States of America or foreign, which may be granted on said invention and said improvements to said invention; said patent application having Serial Number 10/630,611 and was filed on 7/30/2003; Neil B. Jensen hereby authorizes the Commissioner of Patents and Trademarks to issue all Patents on said United States of America applications arising out of said invention and improvements to said invention to said Ronald J. Jensen as assignee thereof; and

For said consideration, I, Neil B. Jensen, hereby covenant and agree that I am the owner of the full title herein assigned and have the right to assign the same, and agree that I will communicate to said Ronald J. Jensen or his representatives any facts known to us respecting said invention and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which, in the judgement of Ronald J. Jensen, is necessary to vest and protect the legal title sought to be assigned to him.
