ASSIGNMENT

WHEREAS, we, **Keith D. Mease**, and **Sean M. McClain**, with respective addresses at **192 Harmony Road, Gibbstown, NJ 08027 United States of America**, and **19 Grove Place, Havertown, PA 19083, United States of America**, are the inventors of the patent application for United States patent identified as Docket No. TN285, filed herewith; entitled "**Card-Guide Heat Sink**";

WHEREAS, Unisys Corporation, a corporation of the state of Delaware having a place of business at Unisys Way, Blue Bell, Pennsylvania 19424, United States of America, is desirous of acquiring the entire right, title and interest in said invention(s), said application and in any patents which may be granted thereon;

NOW THEREFORE, for valuable consideration, the receipt of which is hereby acknowledged, we hereby assign, sell and transfer unto said Unisys Corporation, its successors and assigns (hereinafter "Assignee"), our entire right, title and interest in and to all inventions disclosed in said application, in and to said application and in and to any patents for the United States of America, its territories and possessions and all foreign countries resulting from said invention(s) and said patent application, including all provisional applications, divisions, continuations, reissues and extensions thereof, all rights to claim priority based thereon, all rights to file foreign applications on said invention(s) , and all patents, reissues and extensions thereof, issuing for said invention(s) in the United States of America and in any and all foreign countries.

We hereby grant to Assignee the right to apply in its own name for patents corresponding to the above invention(s) in countries foreign to the United States of America, and all priority rights resulting from the above-identified United States of America patent application. I hereby authorize and request the Director of Patents and Trademarks to issue any and all patents that may be granted for said invention(s) to Assignee, and I agree that I and my successors, assigns or legal representatives thereof, shall be legally bound without additional compensation (except for any statutory fee applicable to witnesses), but without cost to me, to promptly communicate to Assignee or its representatives, all facts known to me or in my possession respecting said invention(s) whenever requested, to testify in any legal proceedings, to sign all lawful papers, execute all divisional, continuing and reissue applications, to make all rightful oaths and to generally aid said Assignee, its successors and assigns, as and when requested by them, in obtaining in the name of the Assignee and in enforcing proper patent protection for said invention(s) on behalf of the Assignee, in the United States of America and all countries foreign thereto.

We hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which conflicts, or would be in conflict, with this Assignment.

We further authorize and direct our attorneys to insert at the bottom of this page* the serial number and filing date of said application now identified as Docket No. TN285 as soon as the same shall have been made known to them by the United States Patent and Trademark Office.

The parties hereto acknowledge that they have specifically requested the present agreement to be drawn up in the English language.
