ASSIGNMENT

WHEREAS,

Mark Alan Elter, Daniel Paxton Wall, and Alan Phillips ("Assignors"), have made an Invention entitled

BELT CLIP FOR HAND-HELD POWER TOOLS

and described and illustrated in U.S. utility patent application serial no. 10/773,252 filed February 9, 2004 ("Application"); and,

WHEREAS, Porter-Cable Corporation, having a place of business at 4825 Highway 45, North, Jackson, Tennessee, 38305 ("Assignee"), desires to acquire the entire right, title, and interest in and to (i) the aforesaid Invention, (ii) the Application, (iii) all patents of the United States issuing from the Application, (iv) all patent applications for the United States or for any foreign country related to the Invention or the Application including provisional applications, conversions to non-provisional applications, continuations, divisions, reissues, reexaminations, extensions, and substitutes, and (v) all patents which may be granted from any of the aforementioned patent applications, including all rights to claim priority on the basis of the Application;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I sell, assign, and transfer to Assignee, its successors, legal representatives, and assigns, the full and exclusive right, title, and interest in and to (i) the aforesaid Invention, (ii) the Application, (iii) all patents of the United States issuing from the Application, (iv) all patent applications for the United States or for any foreign country related to the Invention or the Application including provisional applications, conversions to non-provisional applications, continuations, divisions, reissues, reexaminations, extensions, and substitutes, and (v) all patents which may be granted from any of the aforementioned patent applications, including all rights to claim priority on the basis of the Application,

AND I HEREBY authorize and request the U.S. Patent and Trademark Office or any other proper agency or officer of any country to issue all such patents to the Assignee;

AND I HEREBY warrant and covenant that we have the full right to convey the entire interest herein assigned and that we have not executed and will not execute any instrument or assignment in conflict herewith;

AND I HEREBY agree to communicate to Assignee or its representatives any facts known to me respecting the Invention, to execute all divisional, continuation, reissue, reexamination, extension, substitute, and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to the Invention, execute and deliver any and all

papers that may be necessary or desirable to perfect the title to the Invention in the Assignee, its successors, legal representatives or assigns, and to testify in any judicial or administrative proceeding and generally do everything possible to aid the Assignee to obtain and enforce such patents of the United States or any foreign country when requested so to do by the Assignee
