Exhibit B-2**FORM OF ASSIGNMENT OF WORLDWIDE PATENT RIGHTS**

Captivate Network, Inc., a Delaware corporation, located at 133 Littleton Road, Westford, Massachusetts 01886 ("Assignor"), in consideration of the purchase price paid as part of that certain Asset Purchase Agreement dated as of March 25, 2004 of which the parties are a part and in consideration of the sum of Ten dollars (USD \$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby assigns to Gannett Satellite Information Network, Inc., a Delaware corporation, located at 7950 Jones Branch Drive, McLean, VA 22107 ("Assignee"), the entire right, title and interest for the United States of America and its territorial possessions, and all foreign countries including all rights of priority, in inventions and in the United States patents and applications identified on Schedule A and in inventions and in all foreign patents and applications identified on Schedule B and in and to all Letters Patent(s) of the United States and all foreign countries which may or shall be granted on said inventions, or any parts thereof, or any divisional, continuing, reissue or other applications based in whole or in part thereon.

Captivate Network, Inc. agrees to execute all applications, amended specifications, deeds or other instruments, including any papers in connection with any interference concerning such patents or applications listed on Schedule A and Schedule B and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to Assignee, to vest and confirm in Assignee, its successors and assigns, the legal title to all such patents.

The Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue any and all Letters Patents of the United States as shall be granted upon said inventions or applications, or any divisions or continuing or reissue applications thereof or based thereon to said Assignee, its successors and assigns, and Assignor hereby covenants that it has the full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

The Assignor agree(s) to execute all papers and documents and to perform any act which may be necessary in connection with claims under or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The Assignor specifically and unequivocally grants to Assignee the right to bring suit for any infringement of the patents listed on Schedule A and Schedule B hereto occurring prior to the date of the Assignment and to collect any damages or other fees resulting therefrom.
