ASSIGNMENT

WHEREAS, I, Jerry McPherson, a citizen of the United States of America, and residing at Colstrip, Montana, hereinafter referred to as the Inventor, have invented certain new and useful improvements in

FOLDING LARGE GAME DECOY

for which letters patent of the United States was issued on August 31, 1999, receiving the patent number 5,943,807.

NOW, THEREFORE, to all whom it may concern, be it known that the Inventor, for and in consideration of the sum of \$1.00 and other valuable considerations in hand paid to the Inventor by Jerry McPherson's Montana Decoy, Inc., a corporation organized under the laws of the State of Montana, having a place of business at 2690 Wagoneer Drive, Colstrip, Montana 59323, hereinafter referred to as the Assignee, the receipt of all of which considerations is hereby acknowledged, hereby sells, assigns and transfers unto the Assignee, its successors and assigns, the entire right, title and interest in and to said patent and all the claimable subject matter thereof.

AND, the Inventor hereby covenants with the Assignee, its successors and assigns:

(1) That the Inventor will communicate to it or them all facts known to the Inventor pertaining to said subject matter and will, whenever requested by it or them, give any and all lawful testimony and execute any and all patent applications, assignments or other documents that may be deemed by it or them necessary or desirable in order to obtain, maintain

or enforce letters patent for said subject matter or any part of it in the United States or in any country foreign to the United States, or in order to vest title to any such application or letters patent in the Assignee or its successors, assigns or nominees; and

(2) That the Inventor has the full right to convey the rights and property herein assigned and has made no subsisting license, assignment or other conveyance of right in or of the same to any person or party other than Assignee.

Signed at Jerry McPherson
this 5th day of September, 2003
