WHEREAS, I, KENNETH J. LONGMOORE, residing in Newark, Delaware, together with William J. Hill, IV, Thomas C. McNutt, Bryan Bellafore and Paul D. Fussey, residing, respectively, in Landenberg, Pennsylvania, Newark, Delaware, Newark, Delaware and West Chester, Pennsylvania, jointly have made a certain new and useful invention in Labeling Method Employing Radiation Curable Adhesive, and have filed U.S. Application Serial No. 10/346,318 on January 17, 2003, relating to said invention.

WHEREAS, I, KENNETH J. LONGMOORE, was an employee of Applied Extrusion Technologies, Inc. (hereinafter "AET") at the time that the invention was made.

WHEREAS, AET, a corporation organized and existing under the laws of the State of Delaware, is desirous of acquiring the entire right, title and interest in and to the invention and all improvements thereon which may be made, conceived or acquired by myself or jointly with any or all of the other inventors during the course of my association with AET, aforesaid and for one year thereafter, in and throughout the United States, its territories and all countries foregoing thereto, and in and to said application for United States Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, KENNETH J. LONGMOORE by these presents do sell, assign and transfer unto the said AET my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said AET, and for one year thereafter, in and to said

application for Letters Patent and any and all Letters Patent and extensions thereof, of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or on any improvements thereon or on said application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said AET and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted as fully and entirely as the same would have been held and enjoyed by me had no sale and assignments of said interest been made; and I do hereby authorize and request the Commissioner for Patents to issue any and all Letters Patent which may be granted upon the said application above referred to, or any of them or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my association with AET and for one year thereafter, to AET, and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, and further legal documents and any further assignments and any releases, reissues, renewals or other application for Letters Patent that may be deemed necessary by AET, fully secure to AET, its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to several Letters Patent or any of them.

I do hereby covenant for myself and my legal representatives, and agree with AET and its legal representative, that I have granted no license to make or sell the said invention, that prior to the execution of this deed my right, title and interest in the said invention has not been encumbered, that I then had good right and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.

IN WITNESS WHEREOF, I, KENNETH J. LONGMOORE, intending to be legally bound under the laws of the State of Delaware, have hereunto affixed my hand and seal this 23 day of July, 2003.
