## ASSIGNMENT

---

WHEREAS, I, **J. Dennis Page**, a citizen of the United States of America, residing at 2971 Rincon Stillwell Road, Rincon, Georgia 31326, have invented certain inventions and improvements disclosed in a U.S. provisional patent application filed in the U.S. Patent & Trademark Office on January 6, 1999, and assigned Serial No. 60/114,832; a PCT patent application filed in the U.S. Receiving Office of the U.S. Patent & Trademark Office on January 5, 2000 and assigned Application No. PCT/US00/00168; and a national phase patent application filed in the U.S. Patent & Trademark Office on June 15, 2001, and assigned Serial No. 09/868,290.

WHEREAS, **Storm Shelter Corporation**, a corporation of the State of Georgia having a principal place of business at 4019 Augusta Road, Suite 214, Savannah Georgia 31408, is desirous of acquiring an interest in the same;

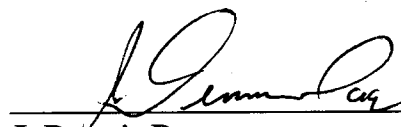

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) and other good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, **J. Dennis Page**, by these presents do sell, assign and transfer unto **Storm Shelter Corporation**, the full, exclusive and entire right, title, and interest in and to said provisional application, to said PCT patent application, and to said U.S. national phase patent application, and in and to all inventions and improvements disclosed and described in said provisional patent application, in said PCT patent application and in said U.S. national phase patent application;

For the same consideration, I, by these presents do sell, assign, and transfer to **Storm Shelter Corporation**, the full, exclusive, and entire right, title and interest in and to

any patent application or patent applications based on or claiming the benefit of either of said provisional patent application, said PCT patent application, or of said U.S. national phase patent application, in whole or in part, in the United States and in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said United States applications and applications in countries other than the United States, and in and to the right to claim any applicable priority rights arising from or required for said applications under the terms of any applicable conventions, treaties, statutes, or regulations; said applications to be filed and issued in the name of **Storm Shelter Corporation**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, I agree to sign all lawful papers, execute all said patent applications, make all assignments and rightful oaths, and generally do everything possible to aid **Storm Shelter Corporation**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
