(hereinafter referred to as ASSIGNEE), a company organized under the laws of the
United Kingdom, its successors, assigns, and legal representatives, the full and
exclusive right to said invention and said application and to any and all inventions
described in said application for the United States, its territorial possessions and all
foreign countries, and the entire right, title and interest in and to any and all Letters
Patent which may be granted therefor in the United States, its territorial possessions
and all foreign countries; and in and to any and all continuations-in-part, continuations,
divisions, substitutes, reissues, extensions thereof, and all other applications for Letters
Patent relating thereto which have been or shall be filed in the United States, its
territorial possessions and/or any foreign countries, and all rights, together with all
priority rights, under any of the international conventions, unions, agreements, acts, and
treaties, including all future conventions, unions agreements, acts, and treaties;

I hereby agree that ASSIGNEE may apply for and receive Letters Patent for said

invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said ASSIGNEE, its successors, assigns and legal representatives, I will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said ASSIGNEE, its successors, assigns or legal representatives all facts known to me relating to said invention and the history thereof; and generally do everything possible which said ASSIGNEE, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said ASSIGNEE, its successors, assigns, or legal representatives; and

I covenant with said ASSIGNEE, its successors, assigns, or legal representatives that no assignment, grant mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
