Debtor will take any actions necessary to cause (i) the issuers of uncertificated securities which are Collateral and which are Securities and (ii) any financial intermediary which is the holder of any Investment Property, to cause Secured Party to have and retain Control over such Securities or other Investment Property. Without limiting the foregoing, Debtor will, with respect to Investment Property held with a financial intermediary, cause such financial intermediary to enter into a control agreement with the Secured Party in form and substance satisfactory to Secured Party.

4.6 Stock and Other Ownership Interests.

4.6.1 Changes in Capital Structure of Issuers. 4.6.5 Issuance of Securities. Debtor shall not permit any limited partnership interests or ownership interests in a limited liability company which are included within the Collateral to at any time constitute a Security or consent to the issuer of any such interests taking any action to have such interests treated as a Security unless (i) all certificates or other documents constituting such Security have been delivered to Secured Party and such Security is properly defined as such under Article 8 of the UCC of the applicable jurisdiction, whether as a result of actions by the issuer thereof or otherwise, or (ii) Secured Party has entered into a control agreement with the issuer of such Security or with a securities intermediary relating to such Security and such Security is defined as such under Article 8 of the UCC of the applicable jurisdiction, whether as a result of actions by the issuer thereof or otherwise.

Debtor and Secured Party recognize that setoffs, counterclaims, defenses and other claims may be asserted by obligors with respect to certain of the Receivables, that certain of the Receivables may be or become uncollectible in whole or in part and that the expense and probability of success in litigating a disputed Receivable may exceed the amount that reasonably may be expected to be recovered with respect to a Receivable. In view of the foregoing, Debtor agrees that Secured Party may at any time and from time to time, if an Event of Default has occurred and is continuing, compromise with the obligor on any Receivable, accept in full payment of any Receivable such amount as Secured Party in its sole discretion shall determine or abandon any Receivable, and any such action by Secured Party shall be commercially reasonable so long as Secured Party acts in good faith based on information known to it at the time it takes any such action.
