**RE: Assignment of Patent No. 5,509,888**  
**Assignment of Patent Application No. 10/371,012**

To Whom It May Concern,

Whereas, Paul Leonard Miller, the "Assignee", whose post office address is P.O. Box 11713, Huntsville, AL 35814, and EV&M Company whose post office address is Edina, MN 55435 have invented certain new and useful improvements in Urinary Incontinence and Artificial Sphincters and Controller Valves for which **United States Patent No. 5,509,888 was granted on April 23, 1996**; and for which **United States Patent Application Serial Number 10/371,012 was filed on February 20, 2003**. Now, therefore, in consideration of work done, I, Edward F. Villaume, President of EV&M Company, do assign and transfer unto said assignee, Paul Leonard Miller, the full and exclusive right to the said invention in the United States and the entire rights, title and interest in and to any and all Patents which may be granted therefore in the United States. I/We hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent and Patent Application to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Executed this 12<sup>th</sup> day of April, 2004.

---

Edward F. Villaume, President EV&M Company
