ASSIGNMENT

WHEREAS, WE, Philippe Guerry, Johannes Laurenz Kellenberger and Stéphanie Blanchard,

the Assignors have invented certain new and useful improvements in

MACROLIDES WITH ANTIBACTERIAL ACTIVITY

which are described and claimed in the application for United States Letters Patent and identified as U.S. Serial Number **10/371,108**, Filed February 20, 2003

which application is based upon the following foreign application

in Europe on **February 28, 2002** under No. **02004295.8**

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations to me (us) in hand paid, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and set over, and by these presents do hereby sell, assign and set over unto

Basilea Pharmaceutica AG, a Swiss Company

of c/o Rudolf Maag, 11 Neuhofweg, CH-4102 Binningen, (Switzerland) the Assignee

and said Assignee's legal representatives, successors, the entire right, title and interest, for the whole world, in and to said invention and said applications, as well as any subsequent application which claims priority based upon the filing date of any of said applications identified and the patents, both domestic and foreign, that may or shall result therefrom including the right to claim in respect of any subsequent United States and foreign patent applications and patents, the priority date of any of said applications under any United States statute and international convention or treaty; and we do hereby authorize and request the issuance of said patents, domestic and foreign, conformably to the terms of this Agreement.

UPON SAID CONSIDERATION, we do hereby covenant and agree with said Assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, execute such additional assignments and other writings and so such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining provisional, original, continuation, continuation-in-part, divisional, reissued, re-examined or extended patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, including but not limited to, giving testimony in any proceedings or
