DECLARATION

I, Maroun George Rahme of 1 William Street, Double Bay, New South Wales 2028, Australia do solemnly and sincerely declare as follows :

1. I was the Director of Ferrock Corporation (Australia) Pty. Ltd. of 4/43 Leighton Place, Hornsby, New South Wales 2077, Australia. Ferrock Corporation (Australia) Pty. Ltd. was the assignee of the invention disclosed in United States of America Patent No. 5 718 857. On 21 November 1997, Ferrock Corporation (Australia) Pty. Ltd. was liquidated.
2. United States of America Patent No. 5 718 857 is a patent application of a continuation of application Serial No. 08/162,123 filed February 14, 1994, now abandoned, which was filed as PCT International Application PCT/AU92/00283 filed June 12, 1992.
3. On 22 May 1996, Warren Pantzer, the appointed liquidator of Ferrock Corporation (Australia) Pty. Ltd. signed a Deed of Assignment transferring the entire right, title and interest of application Serial No. 08/162,123 to Nu-Rock Technology Pty. Ltd.. Attached hereto is Exhibit No. 1 which is a copy of the Deed of Assignment dated 22 May 1996.
4. At line 9, page 1, the Deed of Assignment dated 22 May 1996 (Exhibit No. 1) refers to application Serial No. 08/162,163. At line 15, page 1, the Deed of Assignment dated 22 May 1996 (Exhibit No. 1) refers to application Serial No. 08/162,123. Attached hereto is Exhibit No. 2 which is the front page of United States of America Patent No. 5 718 857. Exhibit No. 2 clearly shows that United States of America Patent No. 5 718 857 is a continuation of application Serial No. 08/162,123 and not application Serial No. 08/162,163.
5. Reference to application Serial No. 08/162,163 at line 9, page 1 of the Deed of Assignment dated 22 May 1996 is clearly a typographical error and should read as application Serial No. 08/162,123.

AND I MAKE this solemn declaration by virtue of the Statutory Declarations Act 1959, and subject to the penalties provided by that Act for the making of false statements in statutory declarations, conscientiously believing the statements contained in this declaration to be true in every particular.
