### ASSIGNMENT

WHEREAS WE, Thomas M. FUDALI, Timothy J. RAMI and William D. NICHOLSON of 2754 Bay Oaks Drive, McHenry, IL 60051; 498 Park Avenue, Pewaukee, WI 53072; and S25W29393 Cambrian Ridge, Waukesha, WI 53188, respectively, have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled USER INTERFACE FOR DIAGNOSTIC INSTRUMENT, executed by me on the date of execution of this document, as shown below, and filed concurrently herewith;

AND WHEREAS, Snap-on Technologies, Inc., a corporation of the State of Illinois and having an address of 420 Barclay Boulevard, Lincolnshire, IL 60069 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

AND WHEREAS, Autologic, L.L.C., a corporation of the state of Wisconsin and having an address of N53 W24880 South Corporate Circle Suite #2, Sussex, WI 53089 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, We do hereby sell, assign, transfer and set over unto Snap-on Technologies, Inc., its legal representatives, successors, and assigns, and to Autologic, L.L.C., its legal representatives, successors, and assigns, jointly, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, including the right of priority and including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, We hereby agree with the said assignees that We will not execute any writing or do any act whatsoever conflicting with these presents, and that We will, at any time upon request, without further or additional consideration but at the expense of said assignees, execute such additional assignments and other writings and do such additional acts as said assignees may deem necessary or desirable to perfect the assignees' enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignees;

AND We request the Commissioner for Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Snap-on Technologies, Inc., its legal representatives, successors or assigns, as the joint owner of the entire right, title and interest in and to said patent and the invention covered thereby.
